

Highlights

BUILDING TOGETHER

START!

Take your brain on a hike.

Why do construction vehicles make a beeping noise when they back up?

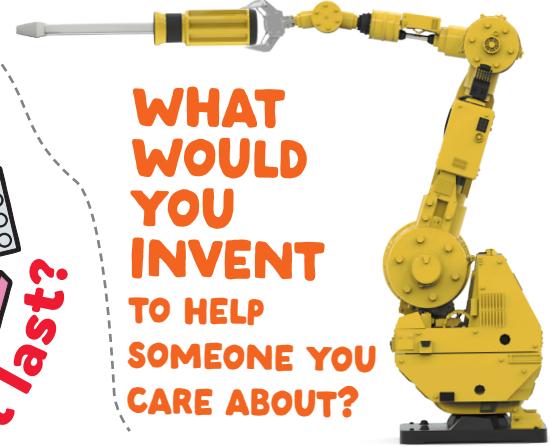

What are some reasons roads need repairs?

WHAT
WOULD
IT BE LIKE
IF ALL
BUILDINGS
FLOATED
IN THE AIR?

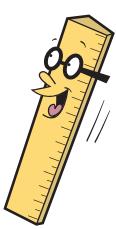

Why might someone build something that won't last?

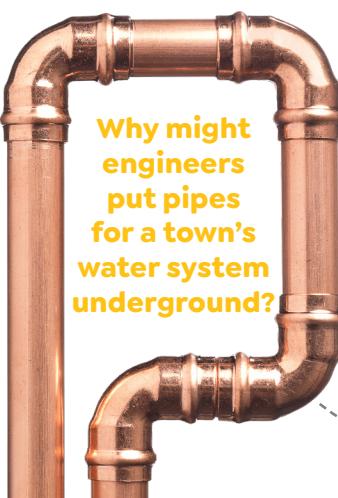

WHAT
WOULD
YOU
INVENT
TO HELP
SOMEONE YOU
CARE ABOUT?

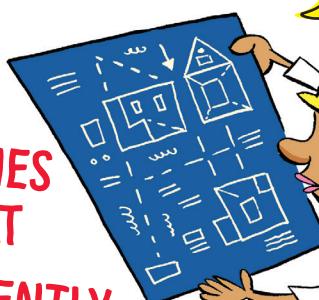

WHAT
TOOLS
DO YOU
USE MOST
OFTEN?

Why might engineers put pipes for a town's water system underground?

Why
DO YOU
THINK HOMES
ARE BUILT
DIFFERENTLY
IN DIFFERENT
PLACES?

THE
END
